Christmas comes along

Just one time a year

We're so happy it's come

Gifts and Christmas trees

Gath'ring families

Feasting and having fun

Wreaths and colored lights

Gleaming gaily, let's let

The holidays shine

Let's all get the Christmas spirit

And we'll have a real good time

Hanukah comes along

Just one time a year

We're so happy it's here, now

Presents and menorahs, help

Tell the great story how

We need never give in

To fear now

Tops called dreidls

And latkes on the table, let's let

The holidays shine

Let's all get the Hanukah spirit

And we'll have a real good time

Kwanzaa comes along

Just one time a year

We're so happy it's come

Weave a m'keka, let's drink

From the kikumbah, zawadi

For everyone

Celebrate for seven days

Light the Kinara, let's let

The holidays shine

Let's all get the Kwanzaa spirit

And we'll have a real good time

Winter holidays

Come just once a year

We're so happy they're here

Christmas or Hanukah

Kwanzaa, we love 'em all

They help to bring us near

To one another

Snow starts falling

And folks start calling, let's let

The holidays shine

Let's all get the holiday spirit

Let's all get the holiday spirit

Let's all get the holiday spirit

And we'll have a real good time
