What about the web site? Last time structure given + where we need to create text. What is the status? What happened to the outline created by Yosh?

Tobie hired 2 teams - Jonah + Sasha will share for set up Fri + Sat oneq.

Ezra talked about his own stuff on Saturday morning. Spoke He is anxious because he is different and more religious than the rest of the congregation. There are a range of practices in reconstructionist. It was a good starting point for another conversation says Leslie B. but he talked too long.

The Friday night with singing was great,

Tu B'shvat will not be a Havdallah. Leslie will meet with Ezra. It will be Saturday morning. Folk dancing is planned. We were going to do something on the 10th anniversary of our Torah ^(maybe around Shavuot). A man in Hastings did a movie and will do Yawm Ha Shoah.

Manny did such a good job with the Torah. Nobody has contacted him yet. Sharon can't organize - somebody else should do it.

Sunday morning brunch with Ezra coming up, Adult education - Jan 30th.

Several women at the cooking talked about having adult bat mitzvahs. Julie, Lois, Sue A. talked about getting a group together. Maybe let the Spiritual Practices know that & move it forward.

Sharon's mother had an adult bat mitzvah. There was a group experience & individual experience over a year and a half.

Conference call of what happened with Ezra and Hebrew School. Ezra has been going in and splitting the class. Lynn was working with Ezra and Adam.

Rabbinic Liaison will meet with Ezra monthly. It would be good to encourage some younger family members to come to steering committee. Harriet will try to reach out. Maybe Amanda says Tobie, Kathy has a big job.

Teens are doing cooking in a month.

No information on Finance. Some money was made by Bloody Bloody Andrew Jackson, (\$12-15 a ticket)
